ARTISTICA AMPLIA LA SUA GAMMA CON LA SEZIONE "5D SHINE"

"La luce prende forma: superfici eleganti e sfaccettate, come un cristallo."
unisce resistenza e stile, portando nelle superfici un raffinato effetto diamantato. I brilli, integrati nell'impasto ceramico, catturano e riflettono la luce, creando un gioco dinamico di riflessi che cambia al variare dell'angolazione e dell'illuminazione.

ARTISTICA expands its range with a new surface “5D SHINE”

“Light takes shape: elegant, multifaceted surfaces, like a crystal.”

It combines durability and style, bringing a refined diamond-like effect to surfaces. The sparkling elements, integrated into the ceramic body, capture and reflect light, creating a dynamic interplay of reflections that changes with different angles and lighting conditions.
